  *Daily Conversation*

I am currently a Junior Software Developer intern, while also teaching new students who want to enter the world of programming.
Able to work independently but excel working in team projects. I am looking for a full stack developer role to utilize all of the skills I learned.

## Personal Projects

### Juris Japan — Lead Developer — https://www.juris-japan.com

- **Skills - Ruby on Rails, HTML, CSS, Bootstrap, JavaScript, Stimulus, SQL, GitHub, Heroku**
- An app dedicated to helping foreigners.
- Responsibilities:
  - Reviewing code to ensure quality.
  - Testing and implementing new features, such as maps, dynamic progress bars.
  - Lead team meetings, communicating regularly with team mates.
  - Ensuring project remains live, maintaining models, controllers and databases. Fixing bugs as quickly as possible.

### Wanpo — Project Manager — https://raj-wanpo.herokuapp.com

- **Skills - Ruby on Rails, HTML, CSS, Bootstrap, JavaScript, Stimulus, SQL, GitHub, Heroku.**
- An app dedicated to helping pet owners to find pet care services.
- Responsibilities:
  - Lead team meetings, delegate tasks and updating progress on tools such as Trello.
  - Liaise with team regularly for progress updates as well as constructive talks to help improve project.
  - Test code for any bugs and solve any problems as quickly as possible.

## Experience

### Junior Software Developer — Mamoru — **Dec '22 - Present**

- **Skills - HTML, CSS, React.js, Javascript.**
- Implement fixes for bugs that impact the User Experience.
- Take ownership of creating new features for the application such as 'click to copy'.
- Work independently and collaboratively to help implement new features and bug fixes.
- Communicate regularly in team stand up meetings with Backend and Frontend developers.

### Teaching Assistant — Le Wagon — **Sep '22 - Present**

- **Skills - Ruby, Ruby on Rails, HTML, CSS, Bootstrap, JavaScript, Stimulus, SQL, GitHub, Heroku.**
- Assistant teacher dedicated to teaching best practice for writing clean code.
- Communicating complex information concisely, in an easy to understand manner.
- Liaising with a team of experienced teachers to help overcome difficult challenges.

### English Teacher — Tokyo International School Group — **Mar '18 - Present**

- Create lessons that are both enjoyable and engaging for students aged between 2-11 years old.
- Communicate concepts in an easy to understand manner, using gestures and visual aids.
- Create and maintain relationship with different students, families and school.

## Other Positions

### Event Organizer — Tokyo Futsal — **2019 - Present**

- Host events for a group with more than 7000 members.
- Help create a friendly, and inviting atmosphere which has helped cultivate a multicultural community.
- Organizing events for numerous activities such as futsal, soccer, table tennis and bouldering.
- Find locations and organize bookings, as well as reach out to members regularly to help drive participation.
